

Directions – South Texas Open 2010

The picture on the left shows the main office building in Rancho Viejo and the competition will be held in that building.

It is very easy to find this building as long as you enter through Rancho Viejo's main entrance, shown in the picture on the right. The main entrance is right next to the water tower (giant golf ball). It's pretty hard to miss. Once you're by the water tower just continue through the main entrance and when you get to the stop sign the building will be right in front of you. Take a left and there will be a parking lot up ahead on your right hand side. You may park anywhere in that area.

After you've parked, walk through the parking lot towards the building, go through the court yard, and enter the second door on your left. You should be entering the restaurant area (Ranchero Room).

Walk through the dining area on your right and you'll find some stairs around the corner on the right side.

The competition will take place upstairs.

See you there!
